

Do you want support in working out the causes for escalating behaviour? Want to feel more confident to intervene positively?

Positive Behaviour Approaches, De-escalation Techniques and Safe Holding Principles

90-minute remote (via TEAMS) training, including advice, strategies and tools to develop positive outcomes for children and young people.

It is recommended that all schools and settings take up the opportunity to attend this training, especially if they have not undertaken similar training within the past two years. Staff teams can access the training as well as individuals. Schools or settings will be expected to complete impact surveys about the benefits of this training.
