Has Verbo supported you in identifying pupils with SLCN?

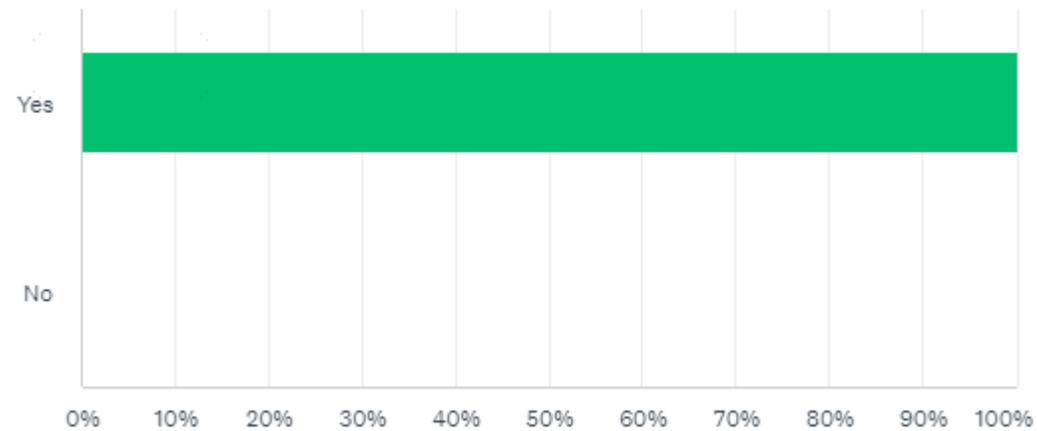

# Verbo 2023-24

**Hambleton**  
**Richmondshire**  
Locality Board

# Would you recommend Verbo?

*A wide range of resources available to support children with language needs.*

## Quotes

One of our children in Reception is non-verbal and we found the Verbo video on supporting non-verbal children very helpful for staff training.

## Overall statistics

Staff accessing content: 157

Pupils benefitting from targeted level support: 56

Screeners completed: 29

Number of intervention videos accessed: 216

Number of training videos accessed: 115

Number of downloadable resources accessed: 53

We would not expect target progress data yet, but I can see there are already 2 targets been met

Feedback:

Staff finding content useful: 100% found content helpful (70% helpful, 30% somewhat helpful)

Content/learning will impact practice: 84% said yes
